

GOOD TO KNOW

Information for the exhibitors

PARKING will be possible on the court next to the BPT hall. This parking area will be closed during the event, so exits will not be possible (except in case of emergency and with permission of the head of security service). If you wish to be able to use your vehicles during the event, please park in other available parking areas (*near BPT, at the market, near the medical centre, near kindergarten Palček*), and leave the parking area of the sports hall to the visitors. Please follow the instructions of the security service and drive according to road conditions.

ACCESS AND PARKING FOR EXHIBITORS

SECURITY

An authorized security service will secure your property. The traffic will be regulated by safety stewards. Exhibitors are obliged to take care of their exhibition stands. In case of problems please contact the security service immediately. The security service will be at the site also during the night. After the event the organizers have no responsibility for forgotten items.
